Biker friendly, good service, meals are great value and reasonable drink prices. Accommodation (Rooms varied but include 2 x double, single, twin single rooms shared bathroom/showers), package prices for dinner, breakfast and room. Great Value

Author comments. We frequent the Commercial Hotel Cordalba whenever we get a chance. These guys will go out of their way to ensure your stay is pleasant.

Drink prices slightly cheaper than the average, meals are basic but good value. Heaps of character and space.

Publican and staff are friendly, really worth a visit.
