

INDEPENDENT

Our Aim

To support our community, to provide a free newsletter to motorcycle enthusiasts that includes current rides and events as well as ride and pub reviews as well as photos of recent rides/events. Poker run and other event flyers can be published in this newsletter, irrespective of group, provided it has a charitable focus. E-mailing details to info@eatmyshorts.com.au

The advertising of your business or "for sale" items in this newsletter or on our website will attract a small charge to be donated to one of the many charities we support. For the website and newsletter to be successful, we welcome news stories, reviews and other contributions from groups and individuals. .

About us

Independent Riders is not a club. We are a group of individuals who believe in the enjoyment and freedom obtained through motorcycle riding without the restrictions and politics associated with membership and imposed by "committees" of clubs/associations. Independent Riders have a charitable focus but as true 'Independents' we have no President, Secretary, Founding members or other similar position and the opinion of each person is considered equal. We do however have moderators on the website and Facebook page and one person chosen to be our Public Relations Officer. The role of this person is to promote our worthwhile and charitable causes and social events.

The wearing of Independent Rider merchandise (cloth patch, sticker, banner etc) does not equate to membership but rather a statement to indicate the person/persons belief in the concept of "The Independent Rider". Those who believe in the "Independent" concept are welcome to purchase and wear any of our patches or merchandise with our logo including our banners. Minimal amounts from sales are needed to help purchase new stock and cover basic administrative expenses, most money raised from merchandise sales go to various charitable organisations including: Fraser Coast Family Network and Fraser Coast Wildlife Sanctuary.

Where possible, we provide experience and support with fundraising events for other groups/clubs by assisting with co-ordination, promotion or organising/designing promotional material including banners, patches etc. We believe a united co-op of bikers not only has greater buying power but also the ability to provide positive direction within our community.

LDAT WORKSHOPS

Sean's Update

G'day viewers, LDAT(Local Drug Action Team), is now in it's 5th week and is progressing well, if a 99% attendance rate is anything to go by. Three pushbikes are on the table at the moment, a beach bike that has just been painted a beautiful sky blue and is nearly ready for assembly, just waiting on some new parts to arrive, it will have white wall tyres, sprung seat, and a tool box, hand made by the students, in the 50s-60s style, mounted under the top rail, that really looks the part. Students have outdone themselves on this bike.

The second bicycle is a Schwinn Stingray that had severe damage from being in the weather, unused for several years. This bike has challenged the students with rust damage and dents but they have shone through, and it is almost ready for its final coat of anodised red and then some new parts and ready for re-assembly.

The third bicycle is a kit bike/chopper that just needed assembly but the students decided to give this one a custom paint job with orange and blue metallic paint, as it came from the factory as black. This bike comes equipped with engine mounts for a purpose built pushbike motor and long forks and low seat, cool looking pushy.

Students have already assembled a similar bike, with a motor, and a mild customisation job in orange and black, and has already been extensively tested up and down the driveway, to make sure its safe, of course, probably why they want to ride it every day, just to make sure its ok,.... and safe,.... and fun,... lots of fun

We were supposed to be starting a small engine course at the beginning but the mechanic we had lined up, fell ill, and we are hoping he is back on his feet after the school holidays.

Due to no small engine course being done, students have been doing MIG, Stick, and Oxy welding with volunteer boilermaker Paul, Tuesday and Wednesday. All students are progressing well and should be proud of what they are achieving. In the next few weeks, the students will be building a 1915 style replica motorcycle, perfect for the man cave, that should be ready for the wildlife sanctuary show and shine. All bicycles, and the replica, will be up for raffle at the show

Two of the students mothers have approached me now and said "What ever you're doing, keep doing it , he's a better child than ever and loving the course"what can I say, we must be doing something right.

Cheers, Fish (Project Supervisor)

Fish and the crew at the workshop are always looking for volunteers. If you have time off or spare time Monday to Wednesday, between 9am - 1pm, and want to make a difference who have one or more of the skills in small motors, motorcycle mechanics, fabrication and welding to help run or assist with these workshop. If you wish to know more phone Michael 0409 575284 or Sean 0408 19375

HELPING OUT TROOPS: The Independent Riders Fraser Coast branch held its fifth annual Poker Run on Saturday. The riders raised money for military service care packages to send to troops overseas.

Bike riders unite for our troops

DID you see a bunch of motorbikes on the road this weekend and wonder what the fuss was about?

Fraser Coast based group Independent Riders, made up of bike enthusiasts, hosted their annual Poker Run on Saturday.

About 70 bikes travelled from pub to pub to raise money for gifts to send to Australian troops currently overseas. Group member Julie Bellert has a son deployed to Iraq, and knows how much it means for the soldiers to get a gift from their home country.

"My son says getting a package is the highlight of his day," Ms Bellert said. "They are doing something that's very hard, and sending them a package is a way of saying thank you."

The Poker Run involved the group going to five different pubs around the

Childers area, with participants picking up a card at each location.

Whoever had the best poker hand at the end of the day was the winner.

The weekend event raised about \$4000.

The Independent Riders will continue fund-raising for the troops throughout the year, with the public invited to make donations at Wilcox Bike Shop in Maryborough.

The group hosts multiple events each year, and is well known by their Toy Run, around Christmas time.

Participant Michael Tucker.

Julie Bellert's son Sean, is currently deployed in Iraq.

HELPING WITH CARE PACKAGES

What is a Care Package?

A care package is a parcel containing a variety of products that is sent to Australian Troops who are deployed overseas. These packages can contain a variety of products, some of which are listed below.

Funds raised and goods collected from our March 10 Poker Run went towards 60 care packages that were put together on March 24 and sent to our troops on the week ending 1 April 2018. Our plan is to continue collection of goods through 2018 until our poker run in 2019. Depending on goods collected we hope to send a further 20 care packages every couple of months during 2018/19 and a further 80 packages from proceeds of our 2019 Poker Run.

We currently have collection bins at Wilcox Bikes, Alice St Maryborough, Under the Gun Tattoos, Kent St Maryborough The Tinana Hotel Tinana and Fraser Coast Family Network Adelaide St Maryborough, with more added in Hervey Bay shortly. Goods and donations can be dropped off at these locations, products aren't expensive but will mean a lot to our troops.

List for what can go in a Care Packages, anything that you would like to receive from home! Note: If we keep the boxes under 2kg the military will send for nothing.
