

SUPPORTING OUR COMMUNITY

Independent Riders has a strong community focus but enjoys social events wherever possible. Where practical we have social rides most weekends and social get togethers most Friday nights.

About us

Independent Riders is not a club. We are a group of people who believe in the enjoyment and freedom obtained through motorcycle riding without the restrictions imposed on them through membership of clubs or associations. Independent Riders have a charitable focus but as true 'Independents' we are not affiliated with any group, nor do we have a President, Secretary or other similar position and the opinion of each person is considered equal. We believe in community and working with other like minded organisations, be that sharing of resources, skills or partnerships with a community focus.

The wearing of an Independent Rider cloth patch or flying of one of our banners does not equate to membership of any club or association but rather an indication that this person or persons believe in our concept of "The Independent Rider" and that of community. The majority of money raised by Independent Riders go to various charitable organisations in our respective areas.

We welcome all like minded riders.

All branches of Independent Riders Australia are co-ordinated independently of the parent company, this method allows the branches to hold events and rides that benefit their local areas. The Fraser Coast Branch has a social night each Friday night starting 5.30PM at the Tinana Hotel Tinana, also known as the Tinnie. These social evenings are ideal for catching up with friends, learning about what rides are on and meeting new friends. Hope to see you there ☺

working together for our community

OUR CAUSES/CHARITIES

Our annual poker runs uses proceeds to send Aussie troops care packages. In 2019 108 were sent in 2020 our aim is 200.

Our Annual Show and Shine is open to cars and motorbikes, with all proceeds going to Fraser Coast Wildlife Sanctuary.

Fraser Coast Toy Run. Held on the first Sunday in December, proceeds go to three local groups. Our stalls and promotion of the event start in mid September each year.

THREE DAY PUB RUN

Held in the long weekend in May, the event is a mix of good times and helping our rural community. Prizes for any raffles run during the event are purchased within the community its run. The idea is to minimise cost to the rider so they can spend more in the towns we visit.

The event usually takes up around 1100-1300 km's staying in small country pubs, where ever possible. This would rate as one of our most fun events ☺
