

5. Transparency

The contract established with the young person, and the resulting relationship, will be open and truthful. The interests of other stakeholders will not be hidden from them.

6. Confidentiality

- a) Information provided by young people will not be used against them, nor will it be shared with others.
- b) Young people should be made aware of the contextual limits to confidentiality and where required, their permission sought for disclosure.
- c) Until this happens, the presumption of confidentiality must apply.

7. Cooperation

- a) M.A.C.E members will seek to cooperate with others in order to secure the best possible outcomes for young people.
- b) Working in deliberate isolation increases the risk of dependency-based relationships and denies young people the right to choice and an equitable share of available resources.

8. Self-awareness

- a) M.A.C.E members are conscious of their own values and interests, and approach difference in those with whom they work with humility.
- b) Respect and dignity are crucial to being able to accept these differences between self and the young person, whilst also recognising that universally accepted concepts of human rights cannot be compromised in doing so.

9. Boundaries

- a) The M.A.C.E member’s relationship is a professional relationship, intentionally limited to protect the young person.
- b) M.A.C.E members will maintain the integrity of these limits, and will always be aware of their boundaries.

10. Integrity

- a) M.A.C.E members are loyal to the empowerment of the youth and our role, never bringing the Association into disrepute.
- b) M.A.C.E members will respect the strengths and diversity of roles other than theirs.
