## Social riders set for annual fundraiser

CASH prizes, live bands and a 300km journey will make up this year's Fraser Coast Social Riders (FCSR) annual poker run.

Organised for May 12, the run will include travelling through the Fraser Coast region and a stop-over at the new clubhouse in Tiaro.

Riders' secretary Michael Tucker said everyone can join the run - even those without bikes.

"We have received great support from local businesses and a lot of interest from recipients so we are hoping that it will be a huge success," Mr Tucker said.

"The group has also sent out invites to the local car clubs and can assist those needing a ride or a lift."

Mr Tucker said since starting in November 2010, the group has grown.

"FCSR now boasts more than 100 members including five junior members and our eldest and most respected life member, Irene," he said.

"Now that we have become more community based and managed, there is a growing list of businesses and

organisations showing interest.

"In the past year, the group has purchased support vehicle, catering trailer and clubhouse for use in fundraising and other association events."

The fully catered poker run will start at the Aussie Hotel with registrations from 8am and departing sharp at 9.30am.

Entry is \$25 with the chance to win first, second and third prizes plus raffles and lucky door.

All proceeds will go to the Royal Flying Doctors and Spina Bifida Queensland.
